3-Slot Charging Cradle for MT90

Features

■ Simultaneous Charging for Multi-device

With 3-Slot design, this cradle can support three MT90 devices charging at the same time.

■ Plug and Charge Performance

Equipped with plug-and-charge feature, the cradle can provide all day power supply for MT90 terminal.

■ Various Forms of Charging

The cradle can support MT90 charging in multiple form, like with protective sleeve, extended back clip, or handheld reader etc.

■ Professional and Reliable Design

The cradle is with simple and reliable design, which make the MT90 perfectly fit into the charging slot. Ensure that the product is in good contact and stable charging.

Application Scenarios

Logistics, express delivery services, warehouse management, retail chains, food traceability, healthcare, distributor management, manufacturing, electricity meter reading, inventory counting.
